DEGREE: Bachelor of Business Administration

MAJOR: Economics

This program is especially suitable for students who find economics interesting and who intend, perhaps without additional formal education beyond the bachelor's degree, to take jobs in business or government. This degree prepares you for a wide variety of jobs including those leading eventually to positions of executive responsibility. It is also appropriate for those who may choose to seek a Master of Business Administration degree after graduation.

Every candidate for this degree must complete the following courses with a grade of C or better: ECON 251G, ECON 252G, E ST 251 or E ST 311G (or the equivalent), and MATH 142G. In addition to completing the general education and foundation courses and the business core courses, you must fulfill the following requirements.

Major Courses (24 credits)
ECON 304, Money and Banking.............................................................3
ECON 371, Intermediate Microeconomic Theory ..................................3
ECON 372, Intermediate Macroeconomic Theory ..............................3
ECON 405, Economic Statistics ..........................................................3
ECON 489, Senior Economics Seminar .............................................3
Electives in economics, upper-division ................................................9

Elective Courses (24 credits)
Viewing a Wider World (two courses from two colleges other than the CBAE, from courses listed in General Education Requirements, Part III) .................................................................6
General electives (at least 11 credits must be taken outside the College of Business Administration and Economics) .................................................18
