DEGREE: Bachelor of Accountancy

The Bachelor of Accountancy degree is available to students choosing accounting as a major. The curriculum is designed to prepare you for the excellent opportunities that exist in public accounting practice and in business, government, and nonprofit organizations. It is also appropriate for those who may choose to seek either the Master of Accountancy or the Master of Business Administration degree after graduation. Every candidate for the Bachelor of Accountancy degree must fulfill the following requirements in addition to the general education and other foundation courses and the business core courses.

Major Courses (27 credits)

These requirements combined with the accounting courses required above provide a minimum of 30 credits in accounting.

ACCT 301 and 302, Financial Accounting I and II (AC 213* & 223*) .................6
