

Nurses are the frontline providers in healthcare. Nurses rank as the country's largest group of healthcare professionals. Experienced nurses are in demand and can enjoy a wide range of job opportunities locally and nationally. Chart your own future and enter the challenging and rewarding profession of nursing.

Options at NMJC

At New Mexico Junior College (NMJC) you can select the program that meets your career goal. The program offers pre-nursing options as well as nursing program options:

- Nurse Aide (CNA)
- Practical Nursing (LPN)
- Associate Degree Nursing (RN)
- LPN/LVN to RN Completion

Excellent Education at Low Cost

NMJC nursing facilities and equipment are technologically advanced and offer a quality educational experience.

Financial Aid

NMJC offers the student a variety of financial aid opportunities, including: scholarships, nursing loans, and grants. Qualified students may receive Veterans Administration and Social Security benefits. Contact a NMJC financial aid advisor for more information.

Nurse Aide (CNA):

A student interested in completing nursing aide training should contact the NMJC Counseling Office at 575-492-2577 for more information. Completion of an NMJC nurse aide course or current certification as a nurse aide is required for admission the NMJC Nursing (RN) Program.
