## FOREWORD

New Mexico Junior College recognizes that the illicit use of drugs and / or the abuse of alcohol is a persistent health problem of major proportion affecting our society physically, mentally, and socially.

Illicit drug use and / or alcohol abuse can adversely affect an individual's personal life, safety, health, and mental and physical performance.

It is the intent of NMJC to provide employees and students pertinent information related to illicit drug use and / or alcohol abuse in an effort to prevent such harm.

NMJC is committed to promoting and maintaining a work and academic environment that is free from illegal alcohol and drug use and abuse, in accordance with all federal, state, and local laws.

Students, employees, and visitors are prohibited from possessing, consuming, manufacturing, dispensing, or being under the influence of alcohol / illegal drugs or engaging in improper self-medication while on College property or College business.

Any member of the College community who violates this policy is subject to both prosecution and punishment under federal, state, and local laws and to disciplinary proceedings by the College.

This alcohol / drug policy is not designed to punish people for seeking rehabilitation. All information about those individuals who voluntarily avail themselves of drug or alcohol counseling or rehabilitation services will remain confidential. Seeking counseling or rehabilitation will not be used as a basis for disciplinary action or be used against an individual in any way.

College employees and students who violate the alcohol / drug policy shall be informed about and referred to services to assist them in determining whether they are abusing drugs and alcohol or are chemically dependent. If a problem is found to exist, the individual will be referred to resources to assist him / her in overcoming the drug or alcohol abuse pattern.

The College will review its Drug and Alcohol Abuse Prevention Program every two years to determine its effectiveness and implement changes to the program as needed and to ensure that the disciplinary sanctions applied by the College are consistently enforced. Last review was during 2010.

## INTRODUCTION

The Drug-Free Schools and Communities Act Amendments of 1989, Public Law 101-226, require that, as a condition of receiving funds or any other form of financial assistance under any Federal program, an institution of higher education (IHE) must certify that it has adopted and implemented a program to prevent unlawful possession, use or distribution of illicit drugs and alcohol by students and employees on their campus or any part thereof.

In accordance with the Federal Drug Free Workplace, it is the policy of New Mexico Junior College that each year the following information will be made available to each student and employee of New Mexico Junior College.

It is further the policy of New Mexico Junior College that every May a committee assigned by the President of New Mexico Junior College shall review its Drug and Alcohol Abuse Prevention Program and shall:

1. determine the effectiveness of its program and report to the President any revisions needed by the program to make it more effective; and
2. ensure that the standards of conduct are fairly and consistently enforced; and
3. submit a written report to the President stating all findings and recommendations of the Committee.

## STANDARD OF CONDUCT

New Mexico Junior College is a public education institution of the State of New Mexico and, as such, shall not permit on its premises, or at any activity which it sponsors, the possession, use, or distribution of alcoholic beverage or illicit drug by any student, employee, or visitor.

In the event of the confirmation of such prohibited possession, use, or distribution by a student or employee, New Mexico Junior College shall, within the scope of applicable Federal and State due process requirements, take such administrative or disciplinary action as is appropriate. For a student, the disciplinary action may include, but shall not be limited to, suspension or expulsion. For an employee, such administrative or disciplinary action include, but shall not be limited to, reprimand, or suspension, or termination of employment, or requirement that the employee participate in and / or successfully complete an appropriate rehabilitation program. Any visitor engaging in any act prohibited by this policy shall be called upon to immediately desist from such behavior.

If an employee, student, or visitor shall engage in any behavior prohibited by this policy which is a violation of Federal, State, or local law or ordinance, that employee, student, or visitor shall be subject to referral to law enforcement officials for arrest and prosecution.

The unlawful manufacture, distribution, dispensation, possession, or use of illicit drugs and / or alcohol by employees and students on NMJC property, leased or owned, or as a part of any NMJC activity, or the possession of narcotic paraphernalia as established by New Mexico State Statutes, is prohibited.

A student receiving a PELL grant does so on the condition that he / she will not engage in the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance during the period covered by the PELL grant.

## CONSEQUENCE OF ABUSE ASSOCIATED WITH THE USE OF ILLICIT DRUGS AND ALCOHOL

TYPE	MOST COMMON DRUG OF ABUSE	GENERAL CONSEQUENCE OF ABUSE
<b>STIMULANTS</b>	Caffeine Cocaine Nicotine Some Dietary Products Amphetamines Methamphetamines	Moderate dosages cause increased alertness, excitation, euphoria, increased pulse rate and blood pressure, insomnia, and loss of appetite. Overdoses can cause agitation, increase in body temperatures, hallucinations, convulsions, and possible death. Sudden withdrawal can cause apathy, long periods of sleep, irritability, depression, disorientation, hallucinations, convulsions, and possible death.
<b>MARIJUANA</b>	Hashish Marijuana	Moderate dosages cause euphoria, relaxed inhibitions, increased appetite, and disoriented behavior. Overdoses can cause fatigue, paranoia, and possible psychosis. Sudden withdrawal can cause insomnia, hyper-activity, and decreased appetite.
<b>DEPRESSANTS NARCOTICS AND OPIATES</b>	Codeine Heroin Methadone Morphine Opium Barbituates Tranquilizers	Moderate dosages cause euphoria, drowsiness, respiratory depression, constricted pupils, and nausea. LSD (lysergic acid)  
Mescaline  
PCP (phencyclidine)

watery eyes, runny nose, yawning, loss of appetite, irritability, tremors, panic, chills and sweating, cramps, and nausea. NOTE: Depressants combined with alcohol can result in magnified negative affects.

Moderate dosages can result in illusions, hallucinations, and poor perception of time and distance. Overdose can result in longer, more intense "trip" episodes, psychosis, and possible death.

**INHALANTS**

Gasoline & Kerosene  
Glues & organic cements  
Lighter Fluid  
Lacquer & varnish thinners  
Aerosol Propellants  
Nitrous Oxide

Moderate dosages cause excitement, euphoria, giddiness, loss of inhibitions, aggressiveness, delusions, depression, drowsiness, headache, and nausea. Overdose can cause loss of memory, confusion, unsteady gait, pulse. Sudden withdrawal results in insomnia, decreased appetite, depression, irritability, and headache. Death can result from suffocation.

**ALCOHOL**

Beer  
Wine  
Liquors

Alcohol depresses the central nervous system. Initial effect may relax and give mild feeling of euphoria. It also impairs judgment, and reduces reaction time and coordination. Prolonged abuse may produce brain atrophy and dysfunction. Very large quantities and / or prolonged abuse may result in death. Sudden withdrawal by an alcoholic may produce serious problems such as delirium tremors. NOTE: Alcohol in combination with other depressants can result in magnified negative effects.

- C. Any person not a minor who deceives another person to believe that a minor is legally entitled to be sold, served, or delivered alcoholic beverages shall have violated the Liquor Control Act.
- D. Violation of this section (60-7B-1) by a minor under the age of 21, with respect to possession, is guilty of a petty misdemeanor.  
A sentence imposed pursuant to this section can include:
  1. the minor relinquishing his driver's license to suspension for a period of three months. Driving during that suspension can result in the court imposing a fine, jail sentence, or both. Fine will not exceed \$500 or imprisonment for not more than 6 months.
  2. the minor assisting in a court-designated community project up to 50 hours.

60-7B-9 (Penalty) Any violations of Sections 81 through 88 (60-7B-1 to 60-7B-8 NMSA 1978) of the Liquor Control Act by a minor is punishable upon conviction by a fine of not less than \$100 and no more than \$500, no part of which shall be suspended, or by imprisonment for not more than 6 months, or by both.
