“...Come on! Make New Mexico Junior College your school too.” – Daniel Marquez

“Hi! My name is Daniel Marquez, and I have a great job. I also have my degree from New Mexico Junior College. I worked full-time in the oilfield and still finished my degree in two years. I took dual-credit courses at Lovington High School and then day and night classes on campus. Come on! Make New Mexico Junior College your school too.”

The 3rd annual Law Camp was held on June 19th thru June 21st! It was a huge success! There were over 173 kids ages 5-13 yrs old that attended. In collaboration with the Community Drug Coalition and the SNMLEA along with all Lea County Law Enforcement, EMS and Fire. The anti Drug message was strongly stressed as the relationships between our emergency services and youth were built. Special thanks to NMJC for allowing us to host this event on campus! Thank you to all that helped make it such a successful event.
NMJC Basketball Camp Held June 24-28

Austyn Robledo, grandson of Amy Solano, received 1st place hot shot.

Allison Garcia, daughter of George and Melanie Garcia, received the most improved award.

National Leadership and Skills Conference Review
by Jill Henning & Shelby McCorvey, New Mexico Junior College SkillsUSA Advisors

Our group, two advisors (Shelby McCorvey and Jill Henning) and three students (Jarred DeLaCruz, Juan-Carlos Medina, and Blake Neeld) left early on Wednesday, the 19th of June and arrived in Moore Oklahoma that evening. We started our day bright and early on the 20th, assisting Operation Blessing in debris removal and cleanup all over tornado stricken areas of Moore. We partnered with Darren Gibson, SkillsUSA Oklahoma State Director and a number of his SkillsUSA members and their families and were able to work until that evening. There were SkillsUSA groups from a couple of other states that joined us that day. We disassembled and removed fences, cleaned up yard debris, removed all belongings from a couple of homes and garages, and even got to remove huge cables from a 40+ foot tree. Protective equipment was donated by everyone involved and no injuries were reported. We spent the last part of the day, along with another group of ten to fifteen individuals, working in a large field gathering debris and placing it in large piles to be removed. We were provided lunch by the Baptist Church, the headquarters for Operation Blessing. After the long day of both physically and emotionally intense work, we headed toward Kansas City, excited to begin a week of non-stop activities, competitions, and leadership training sessions. The donations made by the NMJC staff and faculty were much appreciated and we were able to donate almost $500 in gift cards as well. You are an amazing institution of giving individuals. We appreciate all of you for donating to help the victims of Moore move ahead with their lives.

During the National Leadership and Skills Conference (NLSC), Jarred DeLaCruz competed in the prepared speech competition and finished with a ranking of 13th in the nation. He also serves on the New Mexico SkillsUSA State Officer Team as our Post-secondary President. Please join us in congratulating Jarred for his achievement. Blake Neeld attended the NLSC as an alternate Post-secondary NM Voting Delegate. Juan-Carlos Medina won first place in Customer Service and Job Skills Demo at our State conference. He deferred to the second place winner in these competitions at the NLSC in order to run for the National Officer Team. After diligent study and preparation, Juan-Carlos was chosen by the house of delegates (student members from all over the United States, Guam, Puerto Rico, and the Virgin Islands) to serve on the SkillsUSA National Officer Team. Accompanied by Shelby McCorvey, he will attend officer training in Herndon, VA at the end of July, followed by many other professional development opportunities and National Officer obligations. While there have been other students from New Mexico, this is the first time in SkillsUSA history that a SkillsUSA New Mexico Junior College student has served as a SkillsUSA National Officer. This is quite an honor and we are so proud of Juan-Carlos. He will have many other obligations to meet as a National Officer and we are quite certain he will do our college and state proud. Please help us in congratulating Juan-Carlos for his National Officer position. We were honored to have Dr. August Fons attend this conference.

SkillsUSA advisors Jill Henning and Shelby McCorvey, Juan-Carlos Medina, and Jarred De La Cruz were recognized at an NMJC Board meeting and pictured below with Board members.
