NMLEA Board Meeting at NMJC
by Angela Byrd, Director of Law Enforcement Training

The New Mexico Law Enforcement Academy Board was created in 1969 to promulgate qualifications for hiring and standards for training New Mexico law enforcement officers and telecommunication officers. The Board is the Police Officer Standards and Training (POST) agency for New Mexico, awarding law enforcement officer and telecommunication officer certification. Oversight of the Law Enforcement Academy operations, revocation or suspension of certifications for officer misconduct, and direction for in-service training of officers are but a few of the many responsibilities of the Board.

The Board consists of the Attorney General, who serves as Chairman, a certified Tribal or Pueblo Police Chief, a Municipal Police Chief, a County Sheriff, a State Police Officer, a District Attorney, a line level officer of the rank of Sergeant or below, and two citizen representatives. The Board meets a minimum of four times a year to conduct business.

NMLEA Board Meeting was held at NMJC in Hobbs on April 18th, 2013 for the first time since its inception. The board discussed law enforcement certification matters and received information from Director Louis Medina on the progression of training throughout the state.

Six Upward Bound students taking a break to talk about all the cases of cokes sold and discussing who was working harder!

UB students sorting orders from the long sidewalk in front of Ben Alexander building at NMJC lined with pallets of cases of coke products sold for their fundraiser—826 cases sold!

Great teamwork here amongst the Upward Bound students sorting out and loading coke orders from their fundraiser held on April 24, 2013.

Upward Bound students having a carwash at Forrest Tire on 4/27/13 for their Fundraiser—hardworking students!
