Discover NMJC Day October 9
by Dr. Michele Clingman, Dean of Enrollment Management

The table below reflects the number of students (499) who signed in the morning of Discover NMJC Day. We had students arriving at 7:15 a.m. through 11:30. From a quick overview of the surveys, the students indicated that they had a good time and enjoyed visiting the tables. We had more participation from faculty this year, and the activities were great! We have a creative, innovative, cool group of faculty members. Thank you so much for your support. We had a host of students who volunteered to be guides and goffers. Also some students worked the tables to assist in demonstrating, performing, and promoting the college. Please thank the students you know who worked in any capacity to make this event successful. Thank you one & all for your continuing support of NMJC!

Above (L to R) Elijah Flores and comedian, Bob Smiley, who was FCA's guest at the evening See You At The Pole event

Fellowship of Christian Athletes partnered with area youth pastors, Common Ground, to host comedian, Bob Smiley, for See You at the Pole in Caster Activity on September 25. Over 500 attended the annual event.
Mu Alpha Theta, The International High School and Two-Year College Math Honors Society induction was held Monday evening October 28 at 7:00pm in Heidelberg Hall. President Steve McCleery, his wife, Dr. Atherton and Phillip Roybal were in attendance. Ten students joined NMJC’s Math Honor Society that night (not all were in attendance). Membership requires a 3.3 GPA at NMJC plus a 3.5 math GPA which only considers courses at the Intermediate Algebra level and higher, and must include College Algebra or equivalent or higher. Math courses taken at other institutions do not qualify. Mrs. Heather Adams and Professor McGill presented cerimonial speeches. Professor McGill gave a speech highlighting the advantage of taking more mathematics with regard to the work force and the future careers of all students and the various career opportunities available to math majors.
THANKSGIVING (campus closed)
November 27-29
