August 15, 2017

7th Annual First American Bank/Thunderbirds Booster Club Golf Benefit

It's time for the 7th Annual Thunderbirds Booster Club Golf Benefit. The proceeds raised from the tournament benefit the student athletes attending New Mexico Junior College (NMJC).

This year's tournament is Saturday, October 28, 2017 at the Rockwind Community Links. Please join us to support the NMJC Thunderbirds student athletes by playing and/or sponsoring this tournament. There will be a respectable payout per flight, a prize for the longest drive, closest to the pin, longest putt, and a chance to win a 2017 GMC Sierra for a hole-in-one on a designated hole.

The NMJC Thunderbirds Booster Club is committed to supporting their athletes and encourages participation to develop relationships with our community for the benefit of the teams and players. These student-athletes are able to achieve their greatest dreams of attending college and obtaining a scholarship because of your generosity. Over the last five years, we have raised over \$192,000 to assist more than 150 student athletes with scholarship support.

Enclosed is a tournament flyer to register for a four person team and information on levels of sponsorship.

We look forward to seeing you!

Respectfully,

Bret Moody

Hobbs Market President
