<u>Guide to Symbols</u>						
* Equivalent course but will not count as upper-level credit.						
+ Transfer credit except for a major in this area.						
¹ Accepted for non-art majors. For art majors, <i>may</i> be accepted into the ENMU Art Core area (up to 36 hrs.) on an individual evaluation basis.						
² Accepted as long as it is taught by a lawyer or similarly qualified professional.						
³ Beginning in Fall 2008, BI 114 & 124 became biology courses for non-science majors. It is unknown how these courses will transfer from Fall 2008 forward. These equivalencies are for students who completed the class(es) prior to Fall 2008.						
⁴ Pending testing & evaluation on ENMU's campus, these classes <i>may</i> be accepted in the areas of Music Theory I through IV & Aural Skills I through IV.						
⁵ Vocational--Will count for students transferring with an A.A.S. degree and pursuing a Bachelor of Applied Arts & Sciences or a Bachelor of Occupational Education.						
⁶ For Business and Accounting majors. It might not be equivalent for other majors.						
# The RN degree makes a student eligible to apply for admission into the BSN program.

NOTE for NMJC staff and faculty: This matrix is updated on a regular basis. You may access the most current information by going to the NMJC web site.						
Select "Student Services" and then "Counseling." On the counseling page, select "Academic Planning" and you will see a section titled "Transfer						
Equivalencies" which contains the transfer matrix. As the Counseling Office makes updates to the matrix, we will also have the web page updated, so please consult						
the matrix on the web rather than using old hard copies.
