RE: Expenditure and Revenue Reports for June

June is the last month of the 2005/2006 fiscal year. The expenditure report represents expenditure totals that include funds expended, but not encumbered. For the month end and yearend closing we release all of the encumbered funds that do not have invoices to be paid at yearend. The unrestricted expenditures for June 2006 are $1,414,229.00 with the year-to-date expenditures at $18,260,783.00. Not all of the expenditures for 2005/2006 have been posted. You can see that Instruction and Institutional Support have only expended 87% and 86% respectively. We still have three payrolls for faculty that will be expensed in the 2005/2006 Instruction, and the fringe benefits will be moved from the budget in Institutional Support to the departments in Instruction. After these expenses have been posted most of the budget will have been expended. The other areas are at their budget levels for the year. In the restricted funds, the Grants remain on track for the year. In restricted student aid we had some corrections in June, which is reflected in the expenditures for the month. In Plant funds the only activity posted in the month was a correction. The theatre seating was expensed in the private (Maddox) funds, which was corrected and expensed in ER&R funds. Overall the total expenses for June are $1,547,913.00 the total expenditures year-to-date are $28,117,543.00.

The revenue report for June 2006 remains strong. Current unrestricted funds for the month are $2,139,962.00 with the year-to-date at $24,540,152.00. We still have one month of Oil and Gas production to post in the 2005/2006 fiscal year. We made a correction between interest and other revenues. We posted the interest revenue from the borrowed funds for the student housing project, which increased the interest income year-to-date. The revenue for the restricted funds was $281,114.00 for the month and $5,064,517.00 year-to-date. As you know most of the Grants do not end their year in June, so they continue on with their fiscal year. Student Aid revenue is a reflection on the down turn in enrollment. We will have some remaining restricted student aid revenue to be drawn, but most of the restricted student aid revenue has been posted. The plant funds had some activity in June with $192,115.00 drawn in from GOB funding. The year-to-date revenue is $1,693,296.00. Total revenue for the month was $2,613,191.00 and the year-to-date revenue is $31,297,965.00.
We are still unable to give you the oil and gas price and volume report. That information has not been available to us. As was mentioned we still have one month of revenue remaining for oil and gas that will go into the 2005/2006 fiscal year.

In the investment report you can see that we sent $500,000.00 to the LGIP pool in June, leaving a balance in the LGIP at yearend of $8,125,000.00. There is $7,169,581.45 designated as capital projects.

The Business Office has begun working on the yearend processes and getting ready for the audit. The auditors will begin the audit on July 31st, and will stay for about three weeks.

This is the Financial Report for June 2006.

Memo

DATE:    July 14, 2006
TO:      New Mexico Junior College Board Members
FROM:    Steve McCleery
SUBJECT: Construction of Training and Outreach Center

Based on the update from the architects in regard to the Training and Outreach Center, I am seeking approval to move forward with the completion of the construction drawings. The next action for the New Mexico Junior College Board will be to approve the construction and bid documents and award the construction contract.

Thank you for your consideration.
Memo

DATE: July 14, 2006
TO: New Mexico Junior College Board Members
FROM: Steve McCleery
SUBJECT: Supplemental Retirement Plan

At the April board meeting, you approved the funding for the implementation of Social Security and for increasing the Supplemental Retirement Plan to 6.2%. At this juncture, we do not have a resolution to the Social Security issue. Bill Shoobridge is still seeking written confirmation from the IRS in regard to your questions. However, I am recommending that you approve the increase to the institutional match for the employee Supplemental Retirement Plan to 6.2%.

Thank you for your consideration.
Memo

DATE: July 14, 2006
TO: New Mexico Junior College Board Members
FROM: Steve McCleery
SUBJECT: Director Position, NMJC Del Norte Center

This fall semester, Jeff McCool will move into the Position of Professor of Economics. I have asked Jeff to continue in a consulting role for a period of one year, and he has agreed. Attached you will find a recommendation from Jeff to promote Linda Hall to the Director of Del Norte Center, and I concur with his recommendation. Jeff's memo speaks to Ms. Hall's qualities, and she definitely possesses the skill sets to direct the Del Norte Center. I wholeheartedly recommend that you approve Linda Hall as the Director of the Del Norte Center.

Thank you for your consideration.

RE: Director Position, NMJC Del Norte Center

This memo is in response to your request for a recommendation for Linda Hall who has worked for me at the NMJC Del Norte Center over the past 18 months. It is without reservation that I recommend Linda Hall to succeed me as Director of the NMJC Del Norte Center.

Linda Hall has worked for NMJC as both a part-time employee and full-time employee at the NMJC Del Norte Center. She came on board in January of 2005 as a part-time employee working the afternoon and evening shifts. She quickly earned the respect of her peers and the students with her friendly demeanor and caring attitude. In August of 2005 she was promoted to a full-time clerk’s position working with the afternoon and evening shifts. She has continuously learned the details of how the facility operates, coordinates the payroll, assists in overseeing the ultra-important pool operations, and goes above and beyond to make sure things are running smoothly.

Linda is a hard-working, disciplined individual who puts everything she has into whatever she is working on. I have observed her as both an employee and a student and her dedication to quality is outstanding. She is a resourceful, creative, and solution-oriented person with excellent people skills, as is evidenced by the number of compliments she receives from the students utilizing the facility. Very importantly to the NMJC Del Norte Center operations, she has done an extremely effective job of learning the details of pool chemistry and service. She has a good handle of how all of the equipment works and knows what the equipment should be doing.

Linda has very good written and verbal communication skills. She gets along well with staff, colleagues, and students. She is highly respected and extremely loyal.

In closing, with her experience, business background and personal skill sets, I believe Linda Hall is the ideal person to succeed me as the Director of the NMJC Del Norte Center. I believe she will do an outstanding job and make the transition of leadership a smooth one for New Mexico Junior College. If I can provide any additional information, please contact me at 492-2704.
