NEW MEXICO JUNIOR COLLEGE
BOARD MEETING
MAY 27, 2010
MINUTES

The New Mexico Junior College Board met on Thursday, May 27, 2010, beginning at 3:30 p.m. in the Multi Purpose Room of the Moran Building. The following members were present: Mr. Larry Hanna, Chairman; Ms. Patricia Chappelle, Secretary; Mr. Phillip Jones; Mr. Ron Black; Mrs. Yvonne Williams; Mrs. Mary Lou Vinson; and Mr. Guy Kesner.

Mr. Hanna called the meeting to order and welcomed visitors and guests present: Beth Hahn, News-Sun.

Upon a motion by Mr. Jones, seconded by Mrs. Vinson, the agenda was unanimously adopted.

Upon a motion by Ms. Chappelle, seconded by Mrs. Vinson, the Board unanimously approved the minutes of April 15, 2010.

Under Presidents Report, Bill Morrill gave a short presentation on the new experience modifier rate given to the college from the National Council on Compensation Insurance, Inc. The rate is .84 and is the lowest that it has been in the past 12 years. Robert Rhodes informed the board of recent funding the college received from the NRC to be used for scholarships. Dr. McCleery reported on a meeting he recently attended in Albuquerque concerning the New Mexico Workforce and Education Strategy Academy.

Under New Business, Dan Hardin presented the April financial reports and with a motion by Mr. Kesner, seconded by Ms. Chappelle, the board unanimously approved the expenditures for April, 2010. Upon a motion by Mrs. Williams, seconded by Mr. Black, the Board unanimously approved the Fiscal Watch Reports.
Dan Hardin presented a Resolution, Notification and Certification and Exhibit A for the issuance of the Severance Tax Bonds for roofing projects for New Mexico Junior College, as well as the proposed timeline for the roof replacement project. Upon a motion by Mr. Kesner, seconded by Mrs. Williams, the Board unanimously approved the recommendation.

Dr. McCleery recommended Ms. Jill Johnson as the representative on the Western Heritage Museum Advisory Board to replace Helen Nave. In the case of Jill Johnson’s absence, David Bilbry, the Vice-Chairman of the Lea County Cowboy Hall of Fame Board, will fill in for her. Upon a motion by Ms. Chappelle, seconded by Mrs. Vinson, the board unanimously accepted the recommendation.

Regina Choate presented Request for Proposal #106 - Professional Design Services for Roofing Engineer. The administration recommended acceptance of the proposal from Jim D. Koontz & Associates, Inc. Upon a motion by Mr. Black, seconded by Ms. Chappelle, the board unanimously accepted the recommendation.

Ms. Choate presented Request for Proposal #108 – Restoration and Rebuilding of Steinway Grand Piano. The administration recommended acceptance of the proposal of Plum Piano Restoration, Inc. at a cost of $28,100. Upon a motion by Mr. Kesner, seconded by Ms. Chappelle, the board unanimously accepted the recommendation.

Ms. Choate presented Request for Proposal #109 – Consulting Services for Oil & Gas Training Curriculum. The administration recommended acceptance of the proposal of Ryan D. Tipton, Professional Consultant for the 2010-2011 fiscal year at a cost of $80,000. Upon a motion by Mrs. Vinson, seconded by Ms. Chappelle, the board unanimously accepted the recommendation.

Ms. Chappelle moved the board go into closed session for the discussion of limited personnel matters under the provisions of section 10-15-1-H (2) of the New Mexico Statutes Annotated 1078. Mrs. Williams seconded the motion. The roll call vote was as follows: Mr. Jones—yes; Mrs. Vinson—yes; Ms. Chappelle—yes; Mr. Black—yes; Mrs. Williams—yes; Mr. Kesner—yes; and Mr. Hanna—yes.

Upon re-convening in open meeting, Mr. Hanna stated that the matters discussed in the closed meeting were limited only to those specified in the motion for closure.
Mr. Hanna called for comments from the public. There being none, the next regular board meeting was scheduled for Thursday, June 17, 2010, beginning at 4:00 p.m.

Upon a motion by Mr. Jones, seconded by Ms. Chappelle, the board meeting adjourned at 4:15 p.m.
To: New Mexico Junior College Board Members  
From: Dan Hardin  
Date: June 9, 2010  
RE: Expenditure and Revenue Reports for May 2010

The total year-to-date funds expended and/or encumbered through the month of May is $42,019,239.00.

The total current unrestricted fund expenditures through May are $21,308,739.00, which is 89% of the projected budget. Instruction has expended about 85% of the budget through May. The expenditures in Instruction and General through May are $17,519,457.00, which is 87% of the budget. In other unrestricted expenditures, the expense report indicates that Student Aid is over budget by $112,626.00 and Auxiliary Enterprises expenditures are over the expenditure budget by $87,687.00. The Auxiliary Enterprises are over budget in the Bookstore in New Textbooks. But currently, the Auxiliary Enterprises revenues are over budget by $92,000.00 for the year.

Restricted funds for the year are $7,095,967.00. The Grants are doing a good job of staying on track with their spending and reporting. Financial Aid has been working closely with the Business Office to get all awards completed and funds drawn.

We are showing $13,614,533.00 in expenditures during May in Plant Funds. Most of this is the encumbrance for the Central Plant upgrade project, Library remodel, and Caster Annex remodel.

Total year-to-date expenditures through May 2010 are $42,019,239.00.

Total Revenue through May 2010 is $37,753,714.00. Unrestricted revenue is $26,001,351.00. If you will look at Advalorem Property tax, currently we are over the budget by $545,298.00. We are expecting an additional distribution from the Lea County Treasurer in June. There was a correction in other revenue during the month of May that reduced the year-to-date revenue.

Restricted funds will be drawn down as much as possible by the end of June.

There was $724,023.00 drawn in for Plant Funds in May. The total revenue for the
month of May was 2,808,490.00, with the year-to-date total at $37,753,714.00.

Oil and gas revenue has remained steady this fiscal year, with the nine month average at $629,774.00. In May we received $647,569.00 for the March allotment. Currently, the Oil and Gas revenue is over the budget by $3,886,547.00.

As in the previous months prior to May we have not drawn any funds or sent any funds to the LGIP. Currently, we have $9,625,000.00 in the LGIP and have $8,381,539.22 in designated capital projects.

This concludes the Financial Report for May 2010.

NOTE: Capital projects total does not include encumbered funds.
Strategies and Objectives of the 2010-2016 NMJC Strategic Plan:

1. **Student Success** – NMJC will improve the quality of student success and engagement across all segments of the student population regardless of credit-bearing status.

   **Objectives**
   1.1 Increase NMJC graduation rates (including degrees, certificates and licensure);
   1.2 Increase NMJC student transfer rates to four-year institutions;
   1.3 Increase NMJC fall-to-fall and fall-to-spring student retention rates;
   1.4 Improve community and employer feedback on the quality of students emerging from NMJC programs;
   1.5 Improve student engagement and satisfaction as reflected in CCSSE and Noel Levitz measures;
   1.6 Support students with relevant and effective career services;

2. **Communications** – NMJC will increase awareness of college programs, activities, opportunities, and accomplishments within the public, among internal members of the campus community, and within all K-12 communities within our region.

   **Objectives**
   2.1 Increase public awareness of NMJC programs, activities, accomplishments and opportunities;
   2.2 Improve internal communications;
   2.3 Support internal sense of community among all employees and students;
   2.4 Increase awareness of, and respect for NMJC programs within all segments of the K-12 communities;
   2.5 Develop and implement an institutional plan for marketing the college and engaging the community;

3. **Resource Management** – Particularly during this extended period of state financial instability, NMJC will focus on efficient management of resources including special efforts to develop new sources of funding. With a goal of maintaining essential services and programs, the college will prepare a plan to withdraw from low priority programs that have become ineffective in terms of
resource allocation or that no longer meet the priorities of our student populations and the community.

Objectives
3.1 Develop new resources and sources of funding.
3.2 Identify and phase out low priority/legacy programs that no longer meet the changing needs of our student population.
3.3 Evaluate all programs and operations to improve cost efficiencies.

4. NMJC as a Learning Organization – the college will engage in programs and activities designed to support development of NMJC as a Learning Organization [a learning organization is an organization skilled at creating, acquiring, and transferring knowledge, and at modifying its behavior to reflect new knowledge and insights: Garvin, et al, 2008] with the goal of creating an operating culture focused on continuous improvement of all programs and activities.

Objectives
4.1 Benchmark key programs and processes against best practice models from other organizations.
4.2 Address and resolve all remaining issues from the 2005 HLC Visit Report.
4.3 Achieve a positive HLC review in 2015 and reaffirmation of college accreditation.
4.4 Develop departmental level methods of evaluating and reporting program and activity quality.

5. Leadership and Faculty – In recognition of the impending turnover in executive leadership and the ever-present need for maintaining a high quality faculty, NMJC will engage in specific programs and activities designed to attract, develop, and retain experienced professional leadership and highly competent professional faculty.

Objectives
5.1 Increase faculty engagement in internal as well as community activities.
5.2 Engage in active professional development programs for faculty and campus managers.
5.3 Reduce faculty and employee turnover rates.
5.4 Develop a plan and associated practices to actively identify and employ quality faculty and staff.

6. Educational Quality – NMJC academic leaders, working closely with faculty, will develop and implement a focused effort to evaluate course content and instructional effectiveness with the goal of continuing to improve course quality across all delivery mediums and on an ongoing basis.
Objectives
6.1 Improve student learning outcomes across all modes of instructional delivery.
6.2 Meet, or exceed, institutional learning objectives.
6.3 Engage all faculty (full-time and part-time) in student learning and assessment activities.
6.4 Develop methods of assessing and reporting student learning outcomes in noncredit programs and courses.
6.5 Promote continued growth of online courses and courses delivered through alternative modes (ITV, etc.).

Invitation to Bid # 1039

Purchase of Vehicles

BOARD DOCUMENTS

Date: June 17, 2010
Prepared by: Regina Choate
Coordinator of Purchasing
NEW MEXICO JUNIOR COLLEGE

BOARD DOCUMENTS

General Information

1. On Tuesday, May 25, 2010, a legal notice was sent to the following newspaper requesting sealed bids for the purchase of vehicles for the college:

   1) Hobbs News Sun

2. Bid packets were sent to three potential bidders.

3. One bid was submitted within the time frame specified by the bid package. One bidder was present at the opening.

4. The Business Office and College Motor Pool have evaluated the bid received. Their recommendation is shown on Page 3.
NEW MEXICO JUNIOR COLLEGE
BOARD DOCUMENTS

Evaluation and Recommendation

The bidder responding to Invitation to Bid #1039 was Tate Branch of Hobbs, NM.

The Administration recommends acceptance of the bid from Tate Branch for the following vehicles:

2010 Chrysler 300 S: $26,967
2011 Dodge Ram 2500 Crew Cab: $33,513

TOTAL: $60,480

Source of Funding: FY 2010/2011 Vehicles – Plant – Automobile Major
Account #: 91001-4002-73105-911
Amount: $60,480
Budget: $100,000
NEW MEXICO JUNIOR COLLEGE

Invitation to Bid #1039

New Mexico Junior College contemplates purchasing three (3) vehicles for the College Motor Pool. Bids will be awarded on an item-by-item basis. No minimum quantity is guaranteed. New Mexico Junior College reserves the right to reject any and all bids on any or all item(s).

Please note: The college has been mandated by the Alternative Fuels Acquisition Act to have 75% of all light duty vehicles operating on alternative fuel; therefore, if you have these types of vehicles available please indicate that the vehicle is an alternative fuel item and quote accordingly. Alternative Fuel vehicles will be given priority over non-alternative fuel vehicles. (See attachment of the Legislative and Executive Recommendation and Executive Order No. 2004-019.)

PLEASE INDICATE "Y" YES OR "N" NO FOR EACH SPECIFICATION FOR ALL VEHICLES.

Vehicle Specifications – College Motor Pool (Quantity 3):

The college desires (1) 2010 full size deluxe four door sedan with the following specifications:

____ Vehicle color "WHITE"
____ Windshield wipers intermittent

Are any of the vans alternative fuel vehicles?  Yes  No
Memorandum

To: New Mexico Junior College Board Members
CC: Dr. Steve McCleery, President
CC: Dr. John Gratton, Vice-President for Academic Affairs
From: Dr. Sharon Jenkins, Director of Library Services
Date: 6/7/2010
Re: Library Furniture

Donation of Library Furniture
I am requesting your approval for the donation of 100 surplus library chairs and ten surplus library tables to the Hobbs Public Library.

The tables are ones originally purchased when the library was built in 1965. Neither the chairs nor the tables are on the official school inventory lists. These items are currently being stored on-site in the sea cargo containers behind the Pannell Library construction site. If approved, the Hobbs library director will arrange for the pick-up and transport of the furniture so our maintenance staff will not be called upon for assistance.

The libraries that are members of the Estacado Library Information Network (ELIN) make every effort to be the best stewards that we can be of the taxpayers’ money. We assist each other throughout the year in various ways, both formally and informally. I perceive this donation to be an excellent way of assisting an ELIN member library by recycling our resources in a way that best benefits our citizenry.

Thank you for your consideration.
NEW MEXICO JUNIOR COLLEGE
Personnel Recommendation for Board Consideration

The following candidate is being recommended for employment as follows: Date 6/1/2010

Candidate's name John G. Goebel

Position Announcement • February 2010

Position Title: Professor of Automotive Technology

Position Description: This position reports to the Dean of Public Safety and Industry and is responsible for teaching Automotive Technology in the Ford Motor Company/ASSET post-secondary program at New Mexico Junior College. Duties and responsibilities shall be, but are not limited to, the following: (1) Teaching appropriate automotive courses; (2) Supervise students off-campus during the cooperative work experiences; (3) Travel as required; (4) Achieve and maintain annual required training to meet instructor training standards and to achieve a high level of competency as a teacher; (5) Demonstrate growth in the knowledge of his/her subject areas and in the ability to direct the learning process; (6) Teach basic computer operations to automotive students; (7) Coordinate advisory committee meetings; (8) Work for the general improvement of the instructional programs at the college; (9) Participate in college service through standing and ad hoc committees; (10) Post and maintain supervisor approved office hours per week; (11) Participate in a process of continual personal and professional improvement; (12) Actively participate in the institutional goals and objectives designed to support the mission of the college; and, (13) Nothing contained herein shall limit the President in assigning the employee to any of the various college activities for which he/she would be qualified in order to meet the needs of New Mexico Junior College.

Qualifications: Bachelor’s or Master’s degree in an educational, occupational/vocational, or closely related field is preferred. However, candidates with an Associate degree (or equivalent) and extensive automotive experience will be considered. All degrees must be from a regionally accredited institution. Candidates must be ASE certified, possess demonstrated technical skills in all 8 ASE areas and become ASE Master certified and L1 certified within a specified time frame. Five years experience teaching automotive (community college level preferred) and technical service experience in a dealership desired. Ford Motor Company experience and current training history is desirable. Candidate must be willing to pursue a professional development plan, which will include technical updating as well as other professional development activities. Note: Computer proficiency is required.

Salary/Benefits: Salary is based on the NMJC faculty salary schedule and is commensurate with education, teaching experience and occupational-related experience for a nine month position. Standard NMJC benefits apply.

Application Deadline: Open until filled.

To Apply: Please submit NMJC application form (available at www.nmjc.edu), letter of application (cover letter), resume, unofficial transcripts (official transcripts required prior to employment), and eight references with current addresses and telephone numbers to:

RE: Five year capital plan
Date: June 17, 2010

Board members,

Each year, the Higher Education Department requires all higher education institutions to submit a Board approved five year capital plan by June 30th. The five year capital plan for New Mexico Junior College being presented today follows the College’s strategic and master plans. Thirteen projects have been identified as priorities and are ranked with descriptions and estimated costs of the projects. The Equine Instructional Center and the Energy Training Center projects will be submitted to the HED for possible funding in the next legislative session or on the GOB in 2012.

The administration is asking for your approval of the New Mexico Junior College five year capital plan and the presentation of the Equine Instructional Center and Energy Training Center projects at the HED Capital Projects hearings on August 11th.

Respectfully,

[Signature]
Dan Hardin
