Reference: Regional/Satellite Police Officer Academy Renewal of Certification

Director Byrd,

Congratulations! The Southeastern New Mexico Law Enforcement Academy has met the statutory and administrative code requirements for renewal of certification as a Regional/Satellite Academy. Pursuant to Title 10, Chapter 29, Part 5, of the New Mexico Administrative Code, Regional/Satellite Academies must be approved by the New Mexico Law Enforcement Academy Board, and renewal of this certification is conducted at the end of each three-year certification period. In order to achieve re-certification the Regional/Satellite Academy must successfully pass an onsite inspection and audit of their program, facilities and staff. On October 17, 2014, Director Jack F. Jones II conducted this onsite inspection and audit.

The inspection of your facility, staff, and program revealed that your Regional/Satellite Academy met or exceeded all of our standards and we wish to complement you on the professionalism of your staff, the quality of your facilities, and to further note that it was clearly observed that your program has the clear support and full commitment of the New Mexico Junior College and surrounding agencies.

The New Mexico Law Enforcement Academy is pleased to renew this certification.

If you have any questions or if the New Mexico Law Enforcement Academy can do anything to assist you please give me a call at (505) 827-9262, or e mail at jackf.jones@state.nm.us

Respectfully,

Jack F. Jones, II
