

New Mexico Junior College

High School Concurrent Admissions

Concurrent Enrollment provides high school juniors and seniors who attend a private school or a public high school, or are currently home-schooled students and at least 16 years of age, the opportunity to take college courses. Students seeking concurrent enrollment must see the Dean of Enrollment Management. The following must be submitted each term you wish to enroll:

- * An application must be completed and clearly marked "concurrent enrollment."
- * The student and parent must complete the Concurrent Admissions form.
