"...This semester, I lost my dad to cancer. It was difficult going through that while staying on top of my classes. Regardless of the obstacles, I completed last year with straight A's. Your scholarship assisted with tuition costs and because of it, I can continue to further my education... Thank you for this opportunity, I will remain forever grateful..."

"...NMJC is a great place to put your foot in the door...the perfect college experience without the pressure of a big school..."

"...one step closer to my dream of becoming an elementary school teacher..."

"...NMJC really does stand behind their mission of promoting success through learning..."

"...as a first generation college student, it means the world to me that I get to come here...your gift will help me go far in life and I am forever grateful!"

"...Thanks to the help of this scholarship, I won't have to take out a student loan to pay for school..."
