

TRAINING AT THE SPEED OF LIFE WORLD CLASS INSTRUCTOR DEVELOPMENT CLASS COMING TO HOBBS NM

**IF YOU OR YOUR ORGANIZATION IS DOING ANY TYPE OF REALITY BASED TRAINING
READ THIS TRAINING ANNOUNCEMENT.**

This is a FIVE-DAY school to cover all aspects of Reality Based Training. The topics covered in this program vastly exceed subject matter covered in other RBT or SIMUNITION schools you might have attended. Taught by Kenneth Murray, the original co-founder of SIMUNITION and author of the critically acclaimed book Training at the Speed of Life – the Definitive Textbook for Police and Military Reality Based Training, this class provides instructors with a highly advanced template for running any type of Reality Based Training independent of the technologies being used.

This is a classroom intensive program that covers advanced scenario training principles as well as adult learning principles in a comprehensive fashion. Also covered are the psychological factors present in officers during high level threat encounters. Participants in this class receive five days of both theory and hands on experiential learning in setting up safe and effective training programs involving the various types of Reality Based Training modalities. Those who have attended in the past have gone on to create training programs that have significantly reduced training costs while improving the quality AND quantity of training within their agencies.

Also covered is the use of protective equipment and confrontational impact gear including Blauer High Gear[®], RedMan[®], FIST[®] etc., inert chemical agents, training batons, training radios, laser simulators including AIS, IES, TiTraining, FATS[®], BeamHit[®], MILES equipment, inert weapons and blank firing devices

This school certifies the attendees as instructors in the use of all brands of marking cartridges, protective equipment, inert training products, Airsoft, video simulation systems and more. This program is open to trainers involved in all facets of law enforcement training, including FTOs, Firearms Instructors, DT Instructors, and any other instructors dealing with patrol or specialized training. There is no prerequisite to attendance although it is ideally suited to those who will be in a training position over others.

****Seats are limited to 30 participants and commitments are required as soon as possible. Don't miss this opportunity to attend some world-class training at an unprecedented prices****
