Fires - On-campus Student Housing Facilities

Enter the name, address and number of fires for each On-campus Student Housing Facility. After you click "Save," you will see an "Enter Data" button across from each facility that has 1 or more fires. For each of these facilities, click "Enter Data" to complete the fire statistics for that facility. If you use the button below to add a facility, or if you use the "Delete" link to delete a facility, you must return to the Screening Questions to revise the number of On-campus Student Housing Facilities.
