

What is SGA?

The Student Government Association (SGA) is the governing body that represents the entire student body at New Mexico Junior College (NMJC). SGA is tasked with channeling the voice of the students into positive actions for all students on campus. SGA also serves students by advocating for student rights as well as providing programs that enrich the college experience. The SGA is designed to facilitate student involvement within the College.

How to Participate?

Every student is welcome to attend meetings, which are held every 1st Wednesday of the month at noon in the Ben Alexander Center conference room #153. At that meeting, you have the right to voice your concerns and ideas. However, only SGA Officers/Rep can vote at meetings.

Please contact the Coordinator of Student Activities and Intramurals at 575-492-2580 or stop by the Game Room and sign up!

Why Should I Join SGA?

If you want to show an employer that you are proactive, that you can take an initiative, that you get involved and are willing to go the extra mile to make something happen then join a club. SGA Officers get a scholarship to help pay for tuition and gain leadership skills, find lifetime friends, and display service oriented characteristics. Active club members are successful in College and in life!
