

INSTRUCTIONS

1. Fold the template in 1/2 (along the dashed line - this is **section A**).
2. Insert a piece of tissue paper approximately the same size as the template folded in the middle (included).
You may insert more than one sheet if your scissors are sharp enough.
3. Cut around the skull outline edge.

4. Cut out each shape in the center (**section A**).
5. Fold the template in 1/2 vertically along each dashed line (this makes **2 sections B**). Cut out the shapes.
6. Fold the template in 1/2 horizontally (along the dashed line this is **section C**). Cut out the shapes.
